2010-2011 / 5770 - 5771

## Membership Commitment

August 17, 2010

Dear Friends,

What does it mean to be a *member* of Congregation Etz Hadar?

In a dictionary, "member" means *to be a distinct part of a whole* or *to belong to an organization*.

Your affiliation with our community means that you have access to a religious school in which to educate your children. A chance for you to learn more about what it means to be Jewish. Social time with family and friends. Access to inspiring religious leaders and friendly inclusive services which will bring you closer to your Jewish roots.

Etz Hadar has been the committed, nurturing home for Conservative Judaism in the Inland Empire for 23 years. The volunteer Board, dedicated members, and professional leadership have made this possible.

This is the time of year when we ask for your help to keep Etz Hadar a thriving Jewish center. As we have shared in the past, the annual cost to run the synagogue is about \$1,000 per adult. All we **ask** for *membership* is that you **give what you can**. Every dollar is put to good use and appreciated.

While giving money is great, we need your participation too. Become a volunteer. We've got all kinds of opportunities for putting your talents to work. It's good for your soul. By living Jewish values, raising Jewish kids, and doing good works, you are providing for the future of the Jewish people. Take a look at what Etz Hadar has to offer. There's something here for everyone.

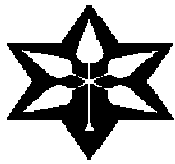

Please fill out this Membership Commitment form and send it back. Please let us know how many people you'll be bringing for High Holidays next month. We'll make sure we have seats for everyone. A warm welcome is waiting for you.

Thank you for your thoughtful donation! I look forward to seeing you soon. The Board joins me in wishing you a happy, healthy New Year. Shanah Tova!

Julie G. Mazakas  
President
